

TUFFLITE SNY

NYC-Approved Steel LED Emergency Light

The Tufflite SNY emergency light is New York City approved and features a 20 gauge steel construction. Available with two or three LED lampheads, SNY provides reliable illumination with optimal light distribution.

CONSTRUCTION

- Durable 20 gauge steel housing in white powder coat finish
- Universal knockout pattern on back plate for wall mount applications, top and side conduit entry

ELECTRICAL

- 120 / 277 vac field selectable input
- Maintenance free 9.6V Nickel Cadmium Battery
- Solid state two rate charger recharges the battery in 24 hours following a 90 minute discharge
- Fully automatic solid-state transfer switch automatically connects the battery to the lampheads for 90 minute minimum emergency illumination
- Remote capable standard

ILLUMINATION

- Chrome plated metalized reflector with plastic spread lens provides optimal light distribution
- Fully adjustable 1.5W square high brightness LED lampheads
- Two (SNY2) or Three (SNY3) 9.6V 1.5W LED lampheads

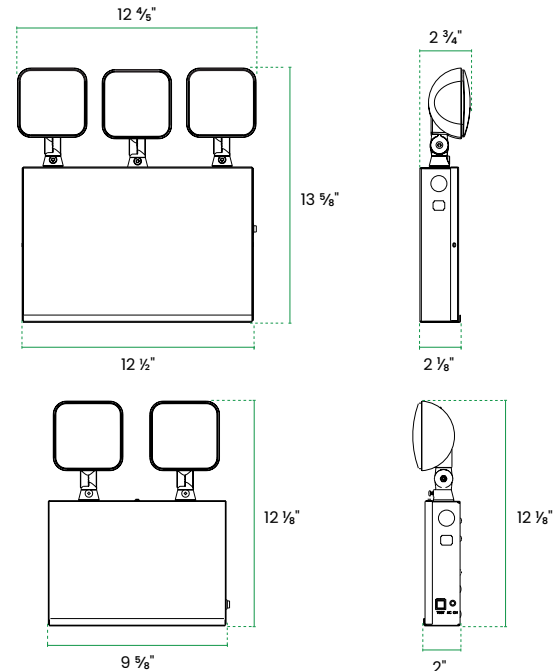

CERTIFICATION

- NYC approved emergency light
- UL listed for damp location 0-50° C
- Listed to UL 924, meets or exceeds NFPA 101 Life Safety Code, NEC-NFPA 70, OSHA requirements

WARRANTY

- 5 year limited warranty on electronics- view complete warranty terms online at www.evenlite.com/terms-warranty.
- Battery pro-rated for 5 years

DIMENSIONS

SNY3-W-2-PILED1MV
