NOTES:

**GENERAL INFORMATION:**

The Mini Forge Spotlight is a compact, rugged outdoor LED fixture designed for precise accent and landscape lighting in smaller-scale applications. Constructed from durable die-cast aluminum with stainless steel hardware and an IP67 rating, it ensures reliable performance in demanding exterior environments. The adjustable head offers excellent aiming flexibility with 350° rotation and ±90° swivel, while beam options of 24°, 40°, and 60° provide controlled light distribution for both focused accents and medium flood illumination. Available in 3000K and 4000K with CRI >80, the Mini Forge delivers comfortable, high-quality light in a minimalist form. With an integral driver, multiple dimming options, and a wide range of finishes and accessories, it is ideal for highlighting planting, pathways, and architectural details with subtle precision.
