

FIXTURE TYPE: _____

PROJECT NAME: _____

NOTES:

GENERAL INFORMATION:

Cucun is a large floor lamp inspired by the simple and natural shapes of flowers, vegetables and bulbs. The particular structure in rotational polyethylene, with its surface texture and its ribs, is a tribute to some icons of Italian design of the last century. Its design is ideal to create soft light effects. Cucun is suitable for decorating gardens and outdoor spaces. Thanks to its strong decorative presence, it is ideal to furnish both domestic and commercial areas.
